**Today, Sunday 2<sup>nd</sup> October 2016 has been designated *Day for Life*.**

It is a day designated to raising awareness about the meaning and value of human life at every stage.

Pope Francis tells us that being a protector of life is about Protecting all Creatures, the Beauty of the Created World. It means respecting all of God's creatures and respecting the environment in which we live.

The whole world had been entrusted to our care and all of us are responsible for it.

Let's protect and choose Life!
