Sunday 5th October 2014 ~ The 27th Sunday in Ordinary Time.

Today, Sunday 5th October 2014, has been designated *Day for Life*.

It is a day dedicated to raising awareness about the meaning and value of human life at every stage.

Pope Francis tells us that being a protector of life is about ***Protecting all Creation, the Beauty of the Created World******It means respecting each of God's creatures and respecting the environment in which we live.***

The whole world has been entrusted to our care and all of us are responsible for it.

Let's protect and choose Life.

See www.catholicbishops.ie or Irish Catholic Bishops' Conference on **Facebook** for more information.

Day for Life Prayer

We thank you Lord for the gift of Life

**Holy Mary, Mother of Love, holding in your arms the fruit of your womb,
Graciously look upon our earth and remove from it all that hardens our hearts and
dims our eyes to the preciousness of human life, from the
moment of conception to natural death.**

**Through the example of your tenderness, teach us the ways of compassion and love,
that we may build up the civilization of love among us and a society
that is truly worthy of the human person.**

**Help us to reject all that contributes to a culture of death,
and to work with others of goodwill in promoting the culture of life.**

**Bring us ever closer to your Son, so that we may know the fullness of life that he offers us,
and come to know that life more perfectly with you, and
all the angels and saints in the eternal life of Heaven. Amen.**
