**Newtownmanor Community Development Company are holding an open meeting in Newtownmanor Hall on Monday, April 17th at 8pm.** All members of the local and surrounding areas are encouraged to attend, and bring with them ideas about what they think the priorities and challenges for the Newtownmanor area are over the next 5-10 years. We have a fabulous community and amenities... let's make the most of them for all members, young and old! With that in mind we would love to see representatives from all generations and walks of life. It's important that everyone has their say about what's of most interest to them.

This will be the first step in what we hope will have a positive economic, inclusive and environmental influence on activities planning in our area over the coming years. With buy in from members of the general community and the availability of significant grants and funding at the moment, a lot can be achieved.
