**COVID 19 – Latest News:** *“Religious services and weddings can proceed without capacity limits but with all other protective measures remaining in place”.*

**Our hope is that more and more of our parishioners will feel confident in gathering again with their parish community, especially for the Sunday Mass.** Covid-19 will remain a threat, and so we will all need to be respectful and protective of the well-being of others, taking sensible precautions, wearing face-coverings, sanitizing and allowing space to those around us.

**We depend on a high degree of personal responsibility and care.**

**Killenummery & Killery Parish Cemetery Sunday:** Open air Mass will take place in Killery at 12.00 noon and Carrowcrin at 3.00pm today - Sunday November 14th. Collection as before at entrance for the upkeep of graveyards. Creevelea Abbey Cemetery on next Sunday November 21st at 2.00pm.

**A Gentle Reminder:** As we are now in the last quarter of the year, could I ask that the Dues & Offertory Collections for 2021 are brought up to date before the end of the year. Parishioners will receive a statement of their 2021 payments to the parish, in the new year. However, only amounts received in 2021 will be included in this statement. Cheques for the Dues and November Offerings made payable to *‘Dromahair Killargue Priests Revenue Account’*. Cheques for all other collections to be made payable to your local Church. Sincere thanks to all who have kept their parish contributions up to date in difficult times. **Fr Paul.**

**On this Sunday, 14 November at 3.00pm, the Bishops of Ireland will undertake a pilgrimage to the International Eucharistic and Marian Shrine in Knock.** The bishops will concelebrate Mass for all those who have died in our country during the pandemic, and for their families. This Mass will be live streamed on [www.knockshrine.ie](http://www.knockshrine.ie) and broadcast on the RTÉ News Now digital television channel and online. The bishops invite everyone to join with them in prayer on this solemn occasion.
