Clothing Collection Facility

There is a Clothes Bank / Container in the Depot Grounds.

If you have old clothes for disposal, why not bring them there. Your contribution will help the parish and various charities. Currently people are leaving out bags of clothes at their houses to be collected by purely commercial operators & they rarely help any worthy cause ~ despite what a few advertise!

And other clothes banks in the village contribute only a very small amount to the charities they advertise.

Please do not bring books, toys or any items other than clothes!

Attending a wedding Mass for the first time, the little girl whispered to her mother, **Why is the bride wearing white?**
Because white is the colour of happiness and today is the happiest day of her life, replied her mother.
The little girl thought for a moment and asked: **So why is the groom wearing black?**
