**A married couple, both 70 years old, were celebrating the 50<sup>th</sup> anniversary of their wedding.**

That night God appeared to them to congratulate them on their faithfulness and to grant them one wish each.

The wife wanted to travel around the world. And with a flash of light the tickets were placed in her hand.

Next God asked the husband what he wanted.

***I wish I had a wife 30 years younger than me,*** he replied.

And with a blinding flash the husband was 100.
