Carrickatemple Cemetery ~ Newtownmanor

The present owner of the land to the right and left of the gate on the road leading to the cemetery,
wishes to improve access to his land.

He proposes moving forward the present gateway by about 50yards and will create a parking space to the left of the present gateway.

This parking space should be a welcome addition for visitors to the cemetery.

If you have any concerns about this proposal,

please let your Local Public Representatives or the Manor Development Group or Parish know.

Change of Date for Parish Function.

Due to an unforeseen clash of dates with the County Final and consequent fears of overcrowding at our chosen venue, the

Parish Function has been postponed.

A new date will be given soon.
