**Over the coming weeks, the Diocese of Kilmore will host a series of conversations about what God wants of his people at this time.** These conversations on our future in faith, will involve all the parish pastoral councils in the diocese as well as the wider community and will help to determine pastoral priorities in the time ahead.

A special video featuring Bishop Martin's invitation to people to engage with the conversation process and the reasons behind it may be viewed on [www.kilmorediocese.ie](http://www.kilmorediocese.ie) or [www.kilmoredpc.ie](http://www.kilmoredpc.ie) as well as on Bishop Martin Hayes' Facebook page. You will also find further information on this conversation about our future in faith from the websites. People are kindly asked to pray for the success of this initiative.

**COVID 19 – Latest News:** *“Religious services and weddings can proceed without capacity limits but with all other protective measures remaining in place”.*

**Our hope is that more and more of our parishioners will feel confident in gathering again with their parish community, especially for the Sunday Mass.** Covid-19 will remain a threat, and so we will all need to be respectful and protective of the well-being of others, taking sensible precautions, wearing face-coverings, sanitizing and allowing space to those around us.

**We depend on a high degree of personal responsibility and care.**
